## STEP 1

Do you know what it means if someone has a place in your heart? Who has a place in your heart? What would you wish for this person?

# A BIG GROWING HEART

## STEP 2

Let the children draw a heart in the middle of the drawing paper. Make sure that they leave plenty of space around the heart. The pupils can then choose a colour glossy paint with which they will be painting the heart.

## STEP 3

Choose a different colour and draw a line around the contours of the heart with it. Choose another colour and repeat. The heart is getting bigger!
