LEARNING OBJECTIVE

Expanding the vocabulary within the theme pets.

A PET

1

Discuss the subject animals. Do the children have any pets? And what kind of pets do they have? Show them images and/or clips of (still unfamiliar) pets.

2

Let the pupils colour a sheet of paper with crayons or oil crayons and then paint the coloured surface over with opaque black paint.

3

After it has dried, the children can scratch their favourite animals on the sheet of paper.
