

APPLE TREE

**Good luck and have fun
with this lesson!**

LESSON PLAN: APPLE TREE

- Age: from 4 years
- Subject: Maths, science
- Preparation time: 10 minutes
- Lesson duration: 30 minutes

APPLE TREE

WHAT DO YOU NEED?

- Firm modelling sand such as Creall Sculpt it!
- Dice (with numbers)
- Attachment - 'Weather cards'
- Sturdy paper or cardboard

WHAT WILL YOU BE DOING?

You will fill an apple tree with apples.

APPLE TREE

STEP 1

Look at the cards. The sun and raindrop mean: add more apples. The storm means: remove apples from the tree.

Roll the dice. Hang the number of apples in the tree.

APPLE TREE

STEP 2

Roll the dice again. What number is it?
Turn over a card. What is the weather like?
What does it mean?

APPLE TREE

STEP 3

Add or remove the number of apples.

How many apples are left in the tree?

APPLE TREE

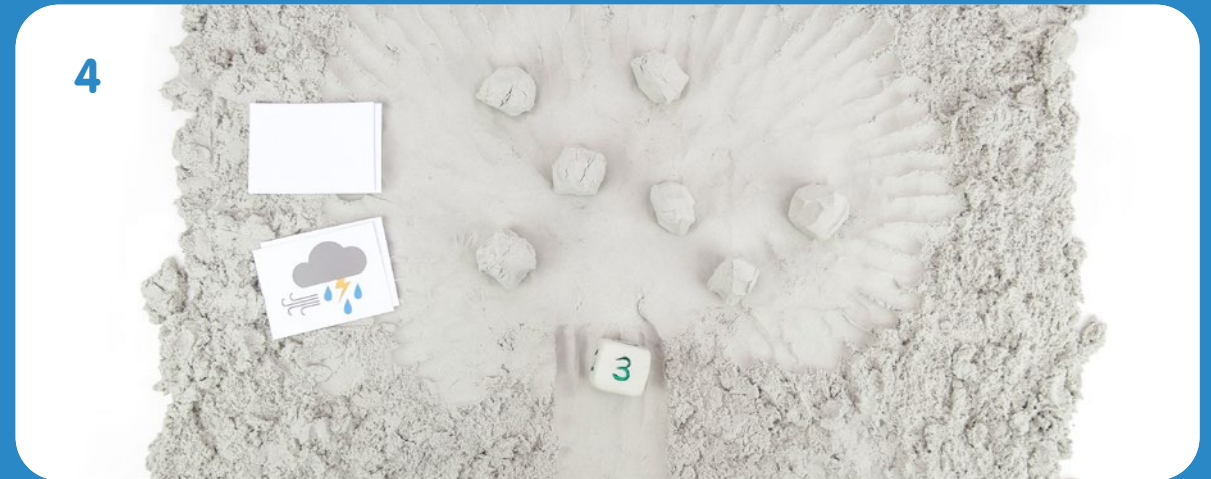

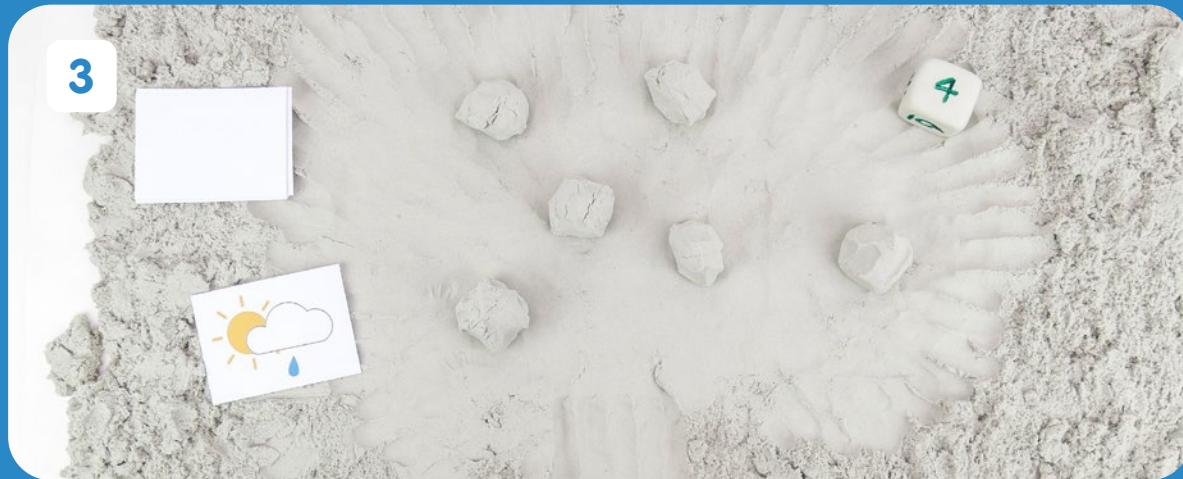

STEP 4

Continue until all the cards are used. How many apples are left in the tree at the end?

APPLE TREE

Step-by-step instructions

IT'S MORE FUN WITH YOU!

Good job!
