

BRING YOUR CLAY TO LIFE

**Good luck and have fun
with this lesson!**

LESSON PLAN: BRING YOUR CLAY TO LIFE

- Age: from age 7
- Learning area: media literacy
- Preparation time: 10 min
- Duration: 30 min

BRING YOUR CLAY TO LIFE

WHAT DO YOU NEED?

- Clay like Creall Therm soft
- White paper
- Phone
- Stop-motion app
- (Small) tripod

WHAT WILL YOU BE DOING?

Making a stop-motion film with clay. This is a film made of several photos that are played back in quick succession. This makes it seem as if the object is moving by itself.

BRING YOUR CLAY TO LIFE

STEP 1

Install a stop-motion app on your phone or tablet.

Think about what kind of film you want to make in adv

Make a figure from clay, for example an emoji.

STEP 2

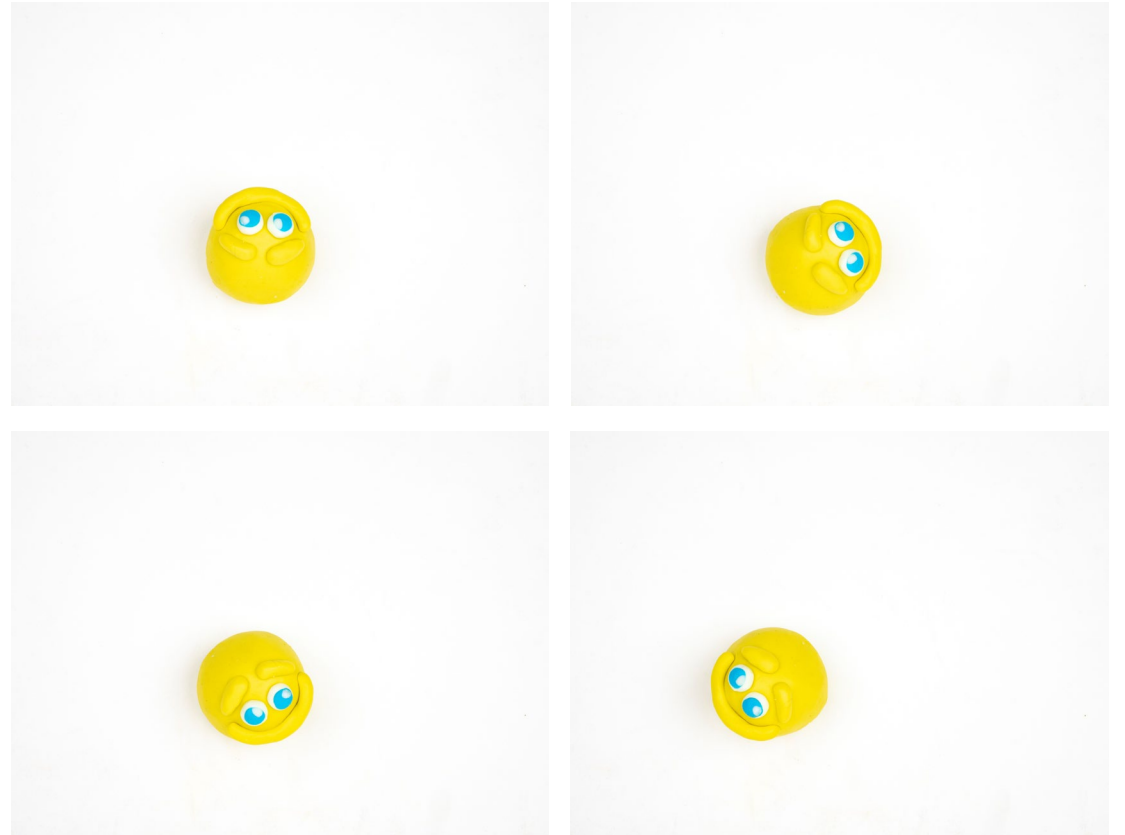

Use a sheet of paper as a background: half is on the table, the other half can be placed upright (e.g. against the wall).

STEP 3

Take photos. Before taking a new photo, move your figure a little bit each time. In this way you can move your figure in different ways or turn it around.

BRING YOUR CLAY TO LIFE

STEP 4

Combine all the photos in the app. Here's your very own stop motion movie!
