STEP 2

Draw one cupcake on your drawing paper. From what angle do you view it? From the top or the front? What shapes belong with this?

STEP 3

Draw more cupcakes around the first one. Try to draw a few different ones: bigger, smaller or from another angle. You can also draw the cupcakes in front, behind or next to the first one. This creates a perspective.

When you've drawn enough cupcakes, paint them. Don't forget to decorate the cupcakes with all kinds of sweets.

Are the cupcakes dry? Then turn the paper around and write on the back of the invitation. Who is it for? What time does it start? And where is it?
