

FIND THE DIFFERENCE: AUTUMN!

Good luck and have
fun with this lesson!

LESSON PLAN: FIND THE DIFFERENCE: AUTUMN!

- Age: from age 4
- Learning area: World studies, nature
- Preparation time: 5 minutes
- Duration: 20 – 30 minutes

FIND THE DIFFERENCE: AUTUMN!

WHAT DO YOU NEED?

- Soft clay like Creall Ultra soft
- Autumn table or natural materials like acorns, chestnuts, leaves, fungi, etc.

WHAT WILL YOU BE DOING?

You will be making clay objects from nature.

FIND THE DIFFERENCE: AUTUMN!

STEP 1

We look at the autumn table together. What do you see? What colours? Which shapes? Do you know the name of one of these objects? Do you see anything on it that animals (or people) can eat?

FIND THE DIFFERENCE: AUTUMN!

STEP 2

Choose one of the objects you are making of clay. Take a good look at the example in front of your. What colour does it have? Is it smooth or does it have ridges and can you reproduce that in clay?

FIND THE DIFFERENCE: AUTUMN!

STEP 3

As soon as everyone is done, we will start comparing. Do the clay objects resemble the real objects? Why? Or why not?

FIND THE DIFFERENCE: AUTUMN!

Step-by-step instructions

IT'S MORE FUN WITH YOU!

Good job!
