STEP 2

The teacher hands out boxes or bins.

Look through the trash to see what's there. Now choose a type of waste that your monster eats, for example, plastic bottles, CDs, or cans.

STEP 4

Is your monster ready? Then decorate it further with some scraps or with poster paint. For example, you can give him a scary face or craft arms.

Then test the monster by feeding the rest of the waste to the right monsters.
